Recognizing Hopeful Attitudes and Strong Wills

After honoring Children's employees for years, the Hope & Will Award is now better than ever.

With the launch of the new Celebrations site, Total Rewards refreshed this recognition program as well. The two go hand-in-hand in recognizing the great work that can be seen around our hospitals and offices.

In a new twist on this special recognition program, managers can nominate their own team members for a Hope & Will Award. The award will now focus on two categories of winners, clinical and non-clinical. A winner, or multiple winners, from each category will be chosen once a month.

As always, winners will receive prizes, including Celebrations points, custom badge reel and the opportunity to be recognized by Donna Hyland at the annual Hope & Will banquet, held each spring. Named for the Children's logo, this award recognizes employees who embody the spirit of Children's. These individuals go beyond their badges and deliver care with overwhelming kindness and treat their coworkers with respect and generosity.

Children's encourages its employees to go the extra mile and beyond the call of duty to help their patients and coworkers. This award is meant to thank those employees for their hard work and dedication to the children of Georgia.

If you notice coworkers performing their jobs with the passion and dedication deserving of a Hope & Will award, you can nominate them by visiting the new [Celebrations site](#). All Children's Healthcare of Atlanta employees, except for director level and higher, are eligible to win.

For questions about the Hope & Will award or how to nominate your coworkers, contact [Wytaria Henley](#).
