#### Children's Wins Most Fit Large Employer Award at KP—Shout Out from Donna Hyland

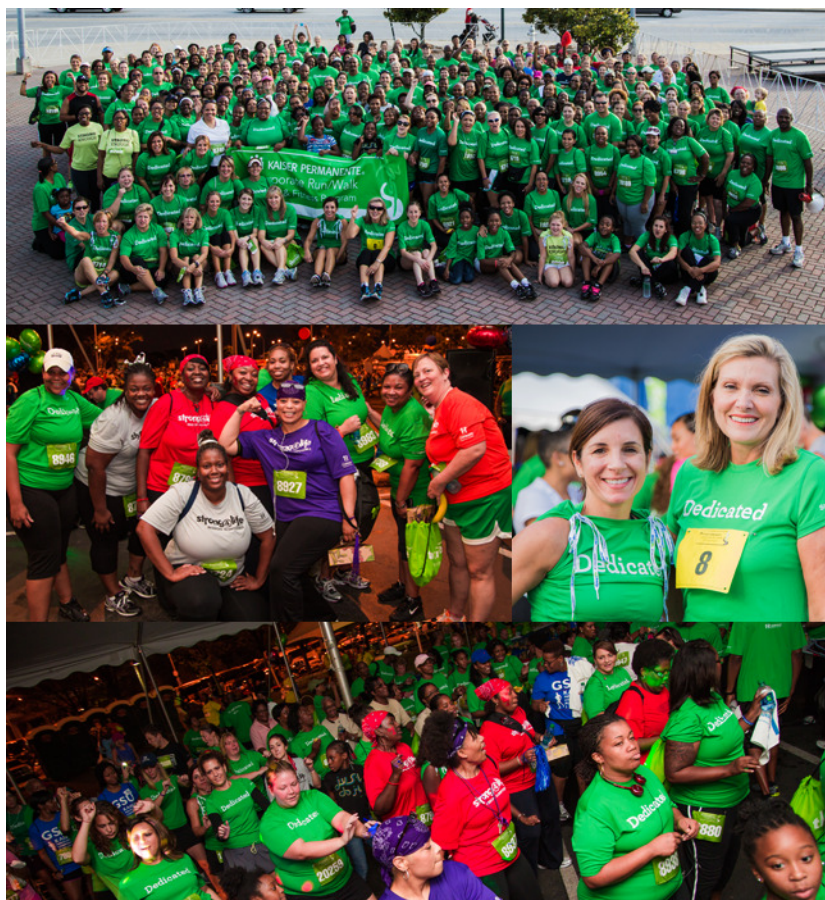

More than 650 employees showed up for the KP Run/Walk 5K at Turner Field last night. With a cool breeze in the air, the weather was perfect for the 5K race through downtown. Everywhere you looked, you saw bright green Children's T-shirts and smiling faces.

For the second year in a row, Children's won the Most Fit Large Employer Award, beating out several other well-known organizations. Employees celebrated in the Children's tent with dancing, karaoke, contests and a catered dinner and snacks. Children's recognized our fastest female runner, Christa Davis, and our fastest male runner, Brian Schlosser.

As promised, employees who wore their actiped pedometer to the event received a special gift: a shirt and Strong4Life shoelaces.

Donna Hyland, CEO, was among the participants at the event. "I hope you all had as much fun as I did at the KP Challenge last night," she said. "What a sight to see so many people in Dedicated To All Better green shirts coming through the race course and at the finish line! Thanks to everyone who came out to give a show of support for Children's and for healthy lifestyles. We appreciate those who walked, ran or helped assist in making such a fun night for us all."

Stay tuned for professional pictures from the KP Run/Walk.
