

Share the
miracle.

Share the hope. Give your gift.

When you make your tax-deductible donation to Children's, you're not just making a gift. You're helping to ensure that, as a non-profit organization, we can continue to provide critically needed care. You're joining in the fight against devastating childhood illnesses. Our patients need your support.

Patients like Lex, who is recovering from a heart transplant, but still loves to play with his race cars.

Aiyana, whose feeding tube and IV don't deter her dreams of being a prima ballerina.

And little Kevin, whose whole family moved to Atlanta from Maui, so he could receive a liver transplant and treatment at Children's.

Your donation -- *of any size* -- will help to further Children's mission of making kids better today, and healthier tomorrow. **Please make your gift today.**

"You're so beautiful and strong. Wishing you peace and love now and forever!"

— Jana Ferguson

Last year, we asked for 1,280 messages. You answered with more than 8,000! What will you share this year?

Our goal in 2011 was one message for every child staying at Children's over the holidays. That's a lot of messages and you responded with more than 8,000 messages of hope. Of encouragement. Of cheer. So, let's make 2012 an even brighter holiday for these young patients. So, go ahead. **Share your message.** And **give your gift now.**

The Verizon Foundation is sharing the spirit

This year, the Verizon Foundation is teaming up with Children's ... and you! For every message shared, Verizon will donate \$3 to Children's Healthcare of Atlanta, up to \$30,000. Share your message now – and let your friends know, too:
