

## Children's Executive Memo

Dear Employees,

This past Friday, Atlanta news reported a young woman was tragically killed in a Midtown parking deck, while two other women also were wounded. We received a call later that day that the fatality was the daughter of two of our own.

Brittney Watts, 26, was the daughter of Gloria Fagin, Child Life Specialist, and David Fagin, M.D., Emergency Medicine Physician, at Children's at Scottish Rite.

At Children's, we understand how precious life is. Every day we dedicate ourselves to the children who need us so much, and we're also there for each other. When we hear of tragic news like this, our hearts go out to those who are grieving to offer comfort and support.

Many of you will want to share your prayers and condolences with Gloria and Dr. Fagin, as they have been such an integral part of the Children's family. Please send all cards and condolences to them at Scottish Rite.

Visitation will be held today, Monday, July 18, from 5-8 p.m. at Northside Chapel, 12050 Crabapple Road, Roswell.

Services will be held Tuesday, July 19, at 10 a.m. at St. Thomas Aquinas Catholic Church in Alpharetta.

On behalf of the entire Children's family, our thoughts and prayers are with the Fagin and Watts families.
