

Erika's 100-Pound Milestone Celebration

May 26, 2011

**Erika and two of her biggest supporters,
Christa Davis, Wellness Program
Coordinator, and Linda Matzigkeit, SVP,
Strategic Planning and Human Resources.**

After Linda introduces her to the crowd, Erika tells the story of how Children's has helped her reach this amazing milestone—losing 100 pounds in just over a year!

A huge crowd of supporters joined Erika for her celebration. And, as usual, when Erika told her story, there wasn't a dry eye in the house.

As part of the celebration, Christa handed out some of Erika's "favorite things" as raffle prizes.

Erika's friends and co-workers made sure to let her know how proud they were of her.
