

Looking for Farm-Fresh Fruits and Veggies? Order a Basket from Eat Right Atlanta

Children's is partnering with [Eat Right Atlanta](#) to deliver fresh produce straight to The Park* every two weeks. This produce delivery company picks the freshest fruit and vegetables from local farmers markets and packages them in a basket to conveniently deliver to you.

Ordering is simple:

1. Go to [Eat Right Atlanta](#).
2. Click **buy now** on the bottom left of the page.
3. Find the option you want: **#2, #4 or #6**.
4. Select group **CHOA PARK** from the dropdown list.
5. Click **Add to Shopping Cart**.
6. Complete checkout process to pay online by credit card.

Eat Right Atlanta will deliver baskets every other Thursday to the corridor near the concierge desk in the Learning Center at The Park. Your name will be labeled on your basket.

Upcoming delivery dates include June 3, June 17, July 1, July 15, July 29.

For your initial delivery, simply pick up your basket before 5 p.m. on that Thursday. The baskets should be delivered to The Park by mid-morning. When you place your next order, simply bring your empty basket back to the corridor and Eat Right Atlanta will replace it with a fresh basket of produce.

**Children's Wellness team is working to offer Eat Right Atlanta's fruit and vegetable delivery service to our other locations. Stay tuned for updates later this summer. Employees at any location are welcome to order a basket and pick it up at the Learning Center until the service is expanded to our other locations.*
