

Grow with us  
**Coffee, Conversation and CEUs**

**At Children's Healthcare of Atlanta, we often evaluate our patients' success by how they grow and change—we measure our success the same way.**

Join us for breakfast and see how we've grown. Plus, you can earn continuing education units (CEUs)\* while we explore four case studies in occupational and physical therapy, and highlight the changes to our continuum.

**8:30 a.m. to 11:30 a.m.**

**Saturday, May 14, 2011**
