Dear Mark,

Congratulations and thank you for 20 incredible years of service!

You are such an important part of what makes Children's Healthcare of Atlanta a unique and wonderful place. We are truly blessed to have so many passionate and dedicated professionals like you as a part of our family. Through the years and through the many changes that followed, you have given your time and your talents in many ways—and we are thankful to you for your service.

As you celebrate, I hope you find a few moments to reflect on all that you've accomplished—from the thousands of children and families that you have touched to the special memories and inspiring milestones you've seen as Children's has grown into one of the top pediatric healthcare systems in the country.

Congratulations again on your anniversary, and thank you so much for 20 terrific years of service. There's much more to come in the years ahead, and I look forward to our journey together!

Sincerely,

Dear Michelle,

A heart-felt and huge congratulations on 25 years of wonderful service!

If you're anything like me, you probably can't believe that you're already celebrating your 25th anniversary at Children's Healthcare of Atlanta. I am amazed at just how quickly the years have passed. We have so much to be proud of—from medical advances that we never would have dreamed of to state-of-the-art hospital facilities, we have come a long way!

One thing that has remained the same in all my years at Children's is the people—we are truly blessed to have so many passionate and dedicated professionals like you. You are an inspiration to so many for your years of dedication and commitment to caring for the patients and families that we serve.

Please take a moment to reflect on all the special moments, incredible people and inspiring memories from the past 25 years, and know that without you, Children's wouldn't be the very special place that it is today. Congratulations on this wonderful career milestone—there's so much more to come, and I look forward to our journey together!

Sincerely,
