

Thank
you FOR
BEING

*Dedicated
to All Better*

National Volunteer Week is a time to recognize our dedicated volunteers who make a difference through their service to Children's Healthcare of Atlanta.

To show our appreciation, we are donating Apple iPads in your honor to our Scottish Rite hospital. This technology will be used by Guest Services to help patients, families and visitors find their way around the hospital, access local services, fill out surveys and more. We are grateful for your willingness to give back to Children's, and we are pleased to pay it forward through this donation.
