It's Not Easy Being Green

Who We Are

The Green Committee is comprised of System employees who represent various departments and campuses throughout our organization. We are a non-partisan team striving to enhance the value of our operations and are committed to upholding Children's five values.

Our Mission

Children's Green Committee is committed to establishing compliant environmental programs that contribute to a safer and healthier environment for our patients, staff and community stakeholders. As a part of our mission, we will strive to develop sustainable and measurable outcomes, which are solution-based environmental practices that promote operational efficiency and cost reductions.

Our Vision

Our Green Committee vision is to be a high-performance team that educates, motivates and engages staff to adopt solution-based environmental practices. Children's strives to minimize the environmental impact of its activities by applying management processes and standards for the enhancement of our operations.
