Let's Celebrate!

In their five days at Children's, the Joint Commission surveyors offered **high praise** for Children's and our employees' work. They called Children's a world-class facility offering exceptional patient care. They commended our engaged and caring employees, clean facilities and best practices in patient care. To celebrate, Children's wants to recognize employees across campuses with some delicious springtime treats.

Starting Saturday, May 11, and running through Friday, May 17, Children's employees will be treated to healthy Greek yogurt with toppings or frozen creations from Atlanta's legendary King of Pops.

If you're at a **Neighborhood campus, Hughes Spalding or Marcus Autism Center**, King of Pops will drop off popsicles Wednesday, May 15 between 9 a.m.-3 p.m.

If you're based at **Scottish Rite, Meridian Mark, Egleston or The Park**, stop by your location's designated treats station during one of the distribution times below:
