Children's Responds to the Tragic Events in Connecticut

Our hearts go out to all those affected by Friday's tragedy in Connecticut. At times like these, we can find comfort by coming together to show our support to those who are grieving—which many members of the Children's immediate and extended family are doing by leaving comments on the [Children's Facebook page](#).

The Chaplaincy department is providing quiet space in the campus chapels for prayer, reflection, and/or meditation for patients, families and staff. Chaplaincy also has written prayers and messages of comfort for those who might find these helpful.

As always, chaplains are available for support. Contact Reverend Daryl Barkley by pager, 770-397-0177, or the appropriate [campus chaplain](#).
