Celebrations! Program

Celebrations! Celebrating you for making a difference.

Want to recognize a fellow employee for a job well done?
Visit the [Celebrations Web site](#)

Celebrations! represents one of the ways Children's is committed to recognizing and rewarding employees for modeling our values, helping us to achieve our Strategy or fulfilling our Promise. Through Celebrations! you can recognize a co-worker or be recognized by your manager.

There are two ways to recognize a co-worker:

- You can send a co-worker recognition for a job well done, modeling our values, a birthday, an anniversary, or other life event
- You can nominate a co-worker for a Hope and Will Award

When you send a Celebrations! card, the employee's manager receives a copy as well. It is a great way to give your fellow employees the praise they deserve. To mark your Celebrations! success, employees are eligible to earn points (AwardperQs) which are redeemable for your choice of exciting awards. Each time you send or receive a Celebrations! card you are entered into a monthly sweepstakes for 10 AwardperQs. So take a few minutes on a regular basis to honor those people who go above and beyond because what you do is worth celebrating.

Done, but with errors on page.
