

## Welcome to Children's. We're glad you're here.

Our organization is only as good as our employees. As a member of the Children's Healthcare of Atlanta team, you will make a difference in the lives of children every day—regardless of your role. But, you can make an even bigger impact on our patients. By donating to the Employee Giving Program, you are making an investment in our future and enhancing the lives of children now and for generations to come.
