## Merit Increases Take Effect

Children's recognizes and rewards our employees for their hard work and performance. Based on 2012 performance reviews, merit increases for eligible staff, managers and physicians were reflected in Friday, April 5, paychecks.

Eligible staff can view their new rate by logging in to [eHR](#) and selecting 2013 Merit Increase. Managers can answer any questions about eligibility or pay rate. As a reminder, adjustments only apply to employees hired on or before Sunday, Dec. 31, 2012.
