

Mrs. Donna Hyland,

I have never formally met you but I would like to say thank you so much for having such a wonderful staff at your hospital. On July 29, Dr. Reisner performed my surgery and I have never met a doctor so loving and caring. He checked up on me multiple times and called when I returned home and that meant so much to me.

Also, I can't remember all their names but if it wouldn't be too much trouble, could you please find my nurses and give them a special thank you for being so wonderful.

I have no complaints and I wouldn't be doing as great as I am if it wasn't for them. They were the sweetest nurses I have ever met and I could really tell how much they wanted to help me feel better.

I really can't thank you enough for having such a wonderful hospital and for having Dr. Reisner and nurses staff there for me. They really were great and I am truly blessed.

Love,
Taylor Johns

P.S. Mrs. Elizabeth Fryer says hello and thank you for checking on me!
