## Let's Celebrate! FORTUNE Names Children's a Best Company for Seventh Year

For seven years running, Children's has earned a spot on [FORTUNE magazine's "100 Best Companies to Work For" list](#). Do you know what that means? It's time to celebrate.

But before we start the party, here's a quick look at why it's so exciting: Children's is one of only four companies headquartered in Georgia to make the list, and we're only one of two pediatric healthcare systems. Children's also earned special recognition for being a top company for women and minorities. When broken down by size, Children's placed 19th in the midsized company sub-category, and placed 25th and 41st in sub-categories recognizing top pay for hourly and salaried employees, respectively.

Now on to the fun stuff: In February, we will hold Children's Spirit Day—a day filled with games, treats, campus celebrations and a contest with a very special prize for two lucky winners. Stay tuned to Careforce Connection in the coming weeks for more details. (Hint: Start thinking about who at Children's inspires you!)

As part of Spirit Day, all employees will receive a new Children's T-shirt. To make sure we have everyone's correct shirt size, please log-in to E-HR this week to [verify your size](#).
